## TIME FOR GIFTS

Many true friends and readers of SOCIAL ORDER like to send out gift subscriptions at Christmas and other seasons. One active grandmother in a Midwest city sent three 3-year subscriptions to a university professor who was interested in sound social thought, a former vice-president and her son's family. Others send SOCIAL ORDER to their pastors and to legislators and libraries.

You can send introductory subscriptions yourself—see the order-form insert for special rates. Do it now.

—Thanks!
